Introducing the Liddle Speaker Pro: A Revolutionary Magnetic Bluetooth Speaker for Any Environment!

We're excited to unveil the Liddle Speaker "Pro", the next-gen cutting-edge magnetic Bluetooth speaker designed for Golf enthusiasts, at the PGA Show 2025. Recognized as one of the top 10 hottest startups at the Consumer Electronics Show (CES) and awarded the International Business Times' Best Tech Award at CES, the Liddle Speaker Pro is truly a game-changer, sticking to anything with ease!

The Liddle Speaker Pro offers 360-degree surround sound and incorporates proprietary bass technology, delivering an unparalleled audio experience for the golfer. Users can easily pair two Liddle Speakers via a single device to create a true stereo surround sound effect, providing the ultimate acoustic experience from up to 30 feet away from the Bluetooth device.

The Liddle Speaker Pro portable Bluetooth speaker equipped with a high-fidelity microphone for crystal-clear voice and video calls. Beyond its capabilities as a versatile speaker for music and audiobooks, the Liddle Speaker Pro features magnetic-compatible wireless charging and up to 8 hours of battery life. Its high-efficiency driver delivers rich, balanced sound with enhanced clarity. Seamlessly connecting to phones, tablets, and computers, the Liddle Speaker Pro ensures superior communication across multiple platforms.

Designed to withstand the elements, the Liddle Speaker is both portable and durable, making it ideal for indoor and outdoor use. With an IPX4 rating, it is resistant to water splashes from any direction and dust-proof, ensuring reliable performance on the golf course, by the pool or at the beach where sand won't harm the speaker. "The Liddle Speaker is built to endure the challenges of any environment," says Danny, the inventor of the Liddle Speaker.

The Liddle Speaker sets a new standard as the best magnetic Bluetooth speaker on the market. It's portable, durable, easy to use, and offers an exceptional listening experience and you can take a phone call in your golf cart with the built-in microphone. Its unique design serves multiple functions, and its ability to attach to any surface makes it the most versatile speaker available.
